EXPERIENCE

JustPark | London, UK

Lead Product designer   **2021 - 2023**

At JustPark I oversaw the transition to a revamped design system (2.0), creating a more scalable look that brought our brand and design teams closer together.

Purposeful Ventures. | London, UK

Lead Product designer   **2020 - 2021**

As a founding designer I developed Morii, an internal communication platform for companies that cuts through the noise of email, slack, teams and whatsapp.

Torca Ltd. | London, UK

Product designer   **2018 - 2020**

Leading end-to-end product design of the entire platform for businesses and individuals to collect and manage investments, store digitised securities and collect payments.

Thou Digital Partners | Remote

Product designer - Co-founder   **2018 - 2018**

Led design and tech area for a network of distributed freelancers focused on small to medium companies in the spanish market.

Brilliant Basics - Infosys | London, UK

Visual UI designer   **2016 - 2018**

Worked along the UX team on digital products. Clients include HSBC, BNP Paribas, Jyske Bank, Munnypot and McDonalds.
